

TEXTILE DESIGNER

Pranav Shekhawat

Hi! I am a design student at NIFT, Gandhinagar, specialising in textiles. The wonders of nature and the advances in the digital world inspire me. My ability to understand the technical aspects of production processes is swift, and my skill with CAD tools helps me to execute my design ideas effectively.

EXPERIENCE

Suiting Design Development, June-July 2022

Internship at Raymond Ltd,
Raymond Head Office, Thane.

[View project.](#)

Print Design Project, 2021
