TEXTILE DESIGNER

Pranav Shekhawat

Hello, my name is Pranav Shekhawat, and I am a textile designer with a passion for weaves and prints. I'm proficient in using CAD tools to create unique and innovative designs that combine traditional techniques with modern technology.

I'm always looking for new opportunities to challenge myself and expand my knowledge of textiles. I aim to work in a creative and collaborative environment where I can contribute my skill and learn from others.

EXPERIENCE
